*Note: The church support for PREP is \$58,803. The church support (subsidy) for the school is \$251,406. These columns should end up negative by no more than those amounts by end of year. The church should end up positive by \$310,209 to balance the total parish budget by end of year (June 30). Some categories, like tuition, are unevenly distributed across the year. This is a caveat to monthly reporting.

For July 2023, we have a deficit of (\$18,685.68) for the month, with a deficit of (\$18,685.68) for the year so far (with \$27,716.63 withdrawn from savings for overdraft).

The main savings account of the parish is at \$34.19 as of the end of the month.

Our weekend collections for this point in the year are \$69,505.99; we should be at \$99,665 by this point to be on track to meet our budgeted goal of \$1,195,981.

We thank everyone who has continued to give generously in support of the financial health of our parish.

Please prayerfully consider setting up automatic online giving, and donating to the parish or school with your tax return, and including the parish or school in your estate planning.

We have \$121,980.64 in a bequest account dedicated to the maintenance, repairs, and preservation of our historic church.

The Diocesan Annual Campaign (DAC) has a goal of \$151,310.34 for our parish (based on our assessable income and number of families).

Our parishioners have paid \$91,093.53 and pledged another \$8,660.00 for a total of \$99,753.53, if all pledges are completed, which is 60.20% of our goal.

Our DAC is being supported by 207 of our over 2,200 registered families, or about 8.59%.

Donations to the DAC are not assessed as income for the following year. Donations over the goal are returned to the parish and not assessed as income for the following year.

Any shortfall in meeting the DAC is paid for by the parish with already assessed income.

So it is clearly very important that we meet and exceed our DAC goal.

Please see DAC marketing materials for the many diocesan ministries and services funded by the DAC.

If you have not given yet, please prayerfully consider donating to help us meet our goal. Thank you for your generosity.

The property debt, which started at \$871,980 in June 2023, ended the month at \$871,980.

THANK YOU for your continued generosity to Saint Francis Xavier Parish and School.

Our identity and mission have both spiritual and material goals and needs.

Without you, we could not continue to provide the ministries of Catholic worship, formation, and ministry to those in the Gettysburg area, as we have since 1831.

May God generously bless you and your family.
